Teach us to number our days aright,
that we may gain a heart of wisdom.

all the time
I've been climbin' on
And reachin' landin's
And turnin' corners
And sometimes goin' on in the dark
Where there ain't been no light.

– from "Mother to Son"
by Langston Hughes

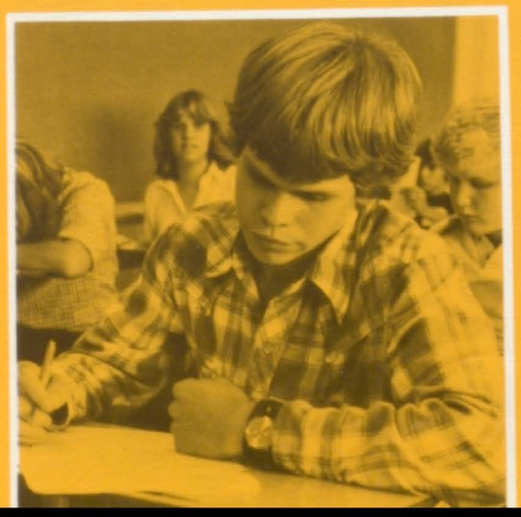

Still on it creeps,
Each little moment at another's heels,
Till hours,
days,
years,
and ages are made up
Of such small parts as these,
and men look back
Worn and bewildered,
wondering how it is.
Thou trav'llest like a ship in the wide ocean,
Which hath no bounding shore to mark its progress.

Joanna Baillie

Our whole eternity is to take its color from those hours which we here employ in virtue or in vice.

He who cannot find time to consult his Bible
will one day find he has time to be sick;
he who has no time to pray
must find time to die;
he who can find no time to reflect
is most likely to find time to sin;
he who cannot find time for repentance
will find an eternity in which repentance
will be of no avail;
he who cannot find time to work for others
may find an eternity in which to suffer for himself.

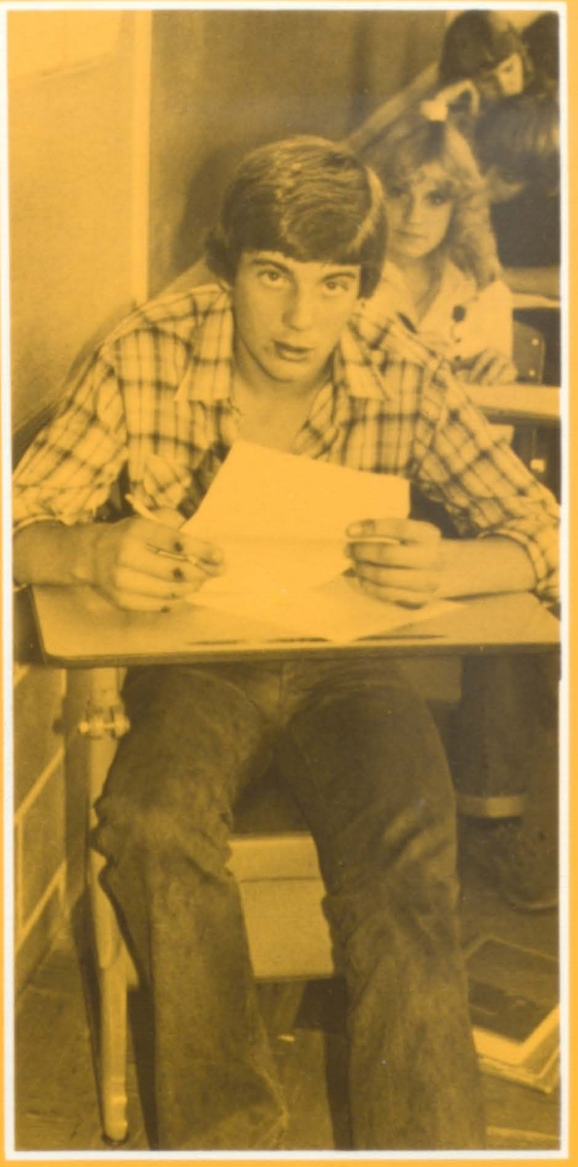

Four things that never
return:
The spoken word,
The sped arrow,
The past life,
The neglected opportunity.

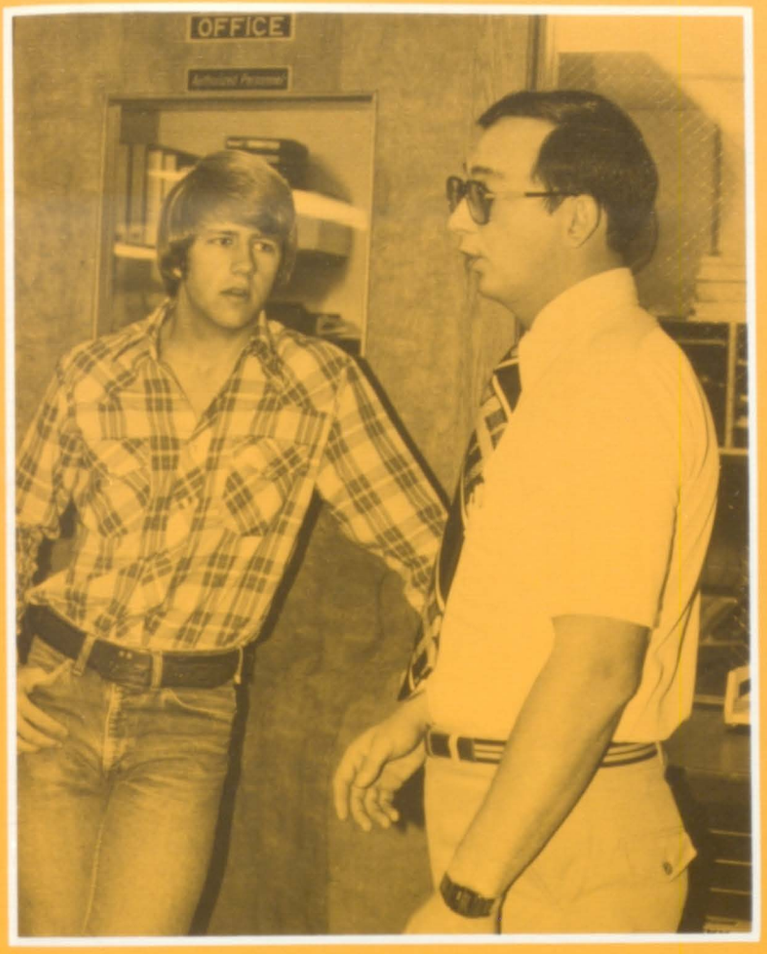

Anonymous

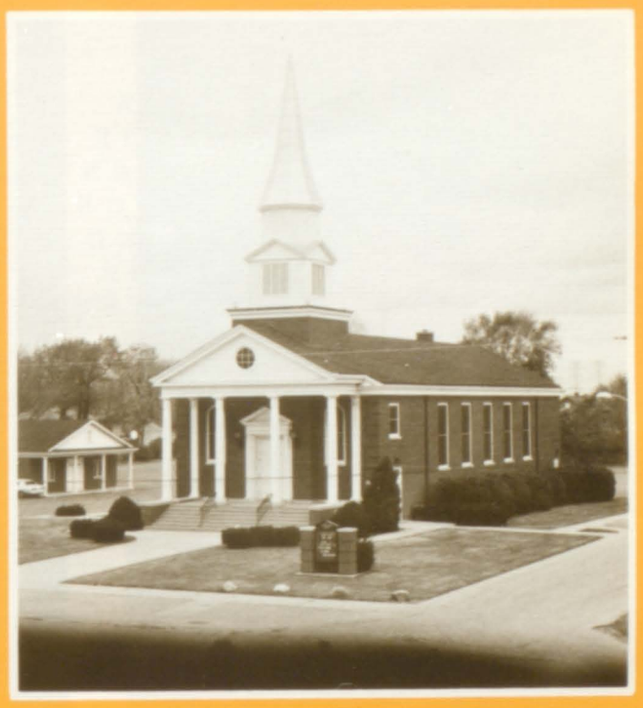

To everything there is a season,
and a time to every purpose under the heaven:
a time to be born,
and a time to die;
a time to plant,
and a time to pluck up that which is planted;
a time to kill,
and a time to heal;
a time to break down,
and a time to build up;
a time to weep,
and a time to laugh;
a time to mourn,
and a time to dance;
a time to cast away stones,
and a time to gather stones together;
a time to embrace,
and a time to refrain from embracing;
a time to get,
and a time to lose;
a time to keep,
and a time to cast away;
a time to rend,
and a time to sew;
a time to keep silence,
and a time to speak;
a time to love,
and a time to hate;
a time of war,
and a time of peace.

He hath made every *thing* beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end.

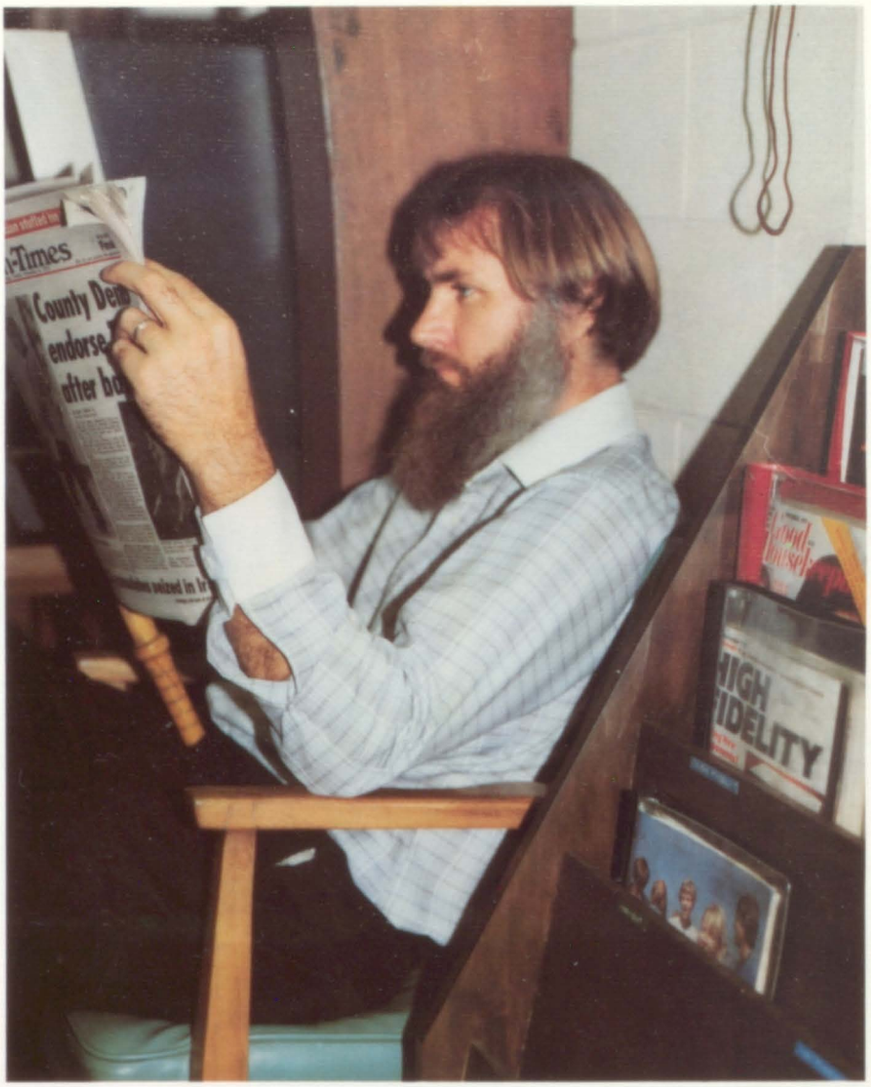

I know that there is no good in them, but for a man to rejoice, and to do good in his life

I know that, whatsoever God doeth, it shall be forever: nothing can be put to it, nor anything be taken from it: and God doeth it, that men should fear before him.

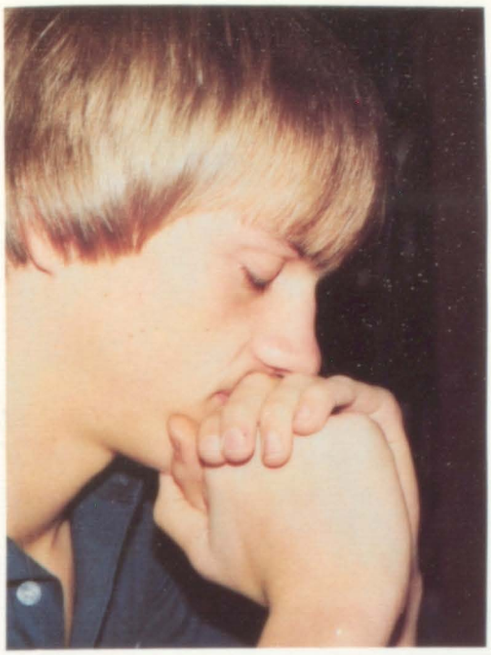

That which hath been is now; and that which is to be hath already been; and God requireth that which is past

FIDELITY

Take time for friends . . . it is the source of happiness.
Take time for work . . . it is the price of success.
Take time to think . . . it is the source of power.
Take time to read . . . it is the foundation of knowledge.
Take time to laugh . . . it is the singing that helps with life's loads.
Take time to dream . . . it hitches the soul to the stars.
Take time to play . . . it is the secret of youth.
Take time to worship . . . it is the highway to reverence.
Take time to pray . . . it helps to bring God nearer and washes the dust of earth from you eyes.

Look therefore carefully how ye walk, not as unwise, but as wise; redeeming the time, because the days are evil.

Ephesians 5:15-16

We always hope:
and in all things it is better to hope
than to despair.
When we return to real trust in God,
there will no longer be room
in our soul for fear.

-Goethe

O God, our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast,
And our eternal home.

Before the hills in order stood,
Or earth received her frame,
From everlasting Thou are God,
To endless years the same.

A thousand ages in Thy sight
Are like an evening gone,
Short as the watch that ends the night
Before the rising sun.

Time, like an ever-rolling stream,
Bears all its sons away;
They fly forgotten, as a dream
Dies at the opening day.

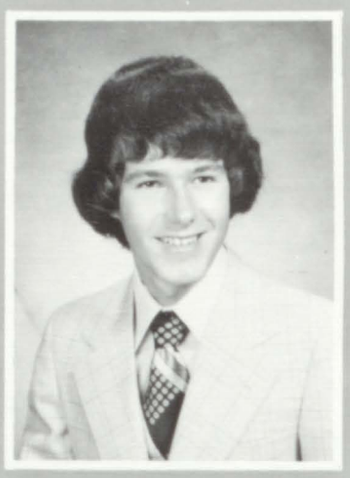

O God, our help in ages past,
Our hope for years to come,
Be Thou our guard while troubles last,
And our eternal home.

John B. Herbert

MEMORIAM

Mrs. Dorothy Meuzelaar

Jim Van Drunen

Rita Vander Weele

Our Illiana family was deeply saddened this year by the passing of three loved ones, Mrs. Dorothy Meuzelaar, Jim Van Drunen, and Rita Vander Weele. They will always be remembered for their love for family and friends, their dedication to Illiana, and their unswerving devotion to their Lord. We are comforted that they now serve Him in glory.

Mrs. Meuzelaar served for four years as the study hall supervisor. She passed away from cancer on October 10, 1979. Jim and Rita, 1979 graduates of Illiana, were freshmen at Dordt College when they were tragically taken in a plane crash on January 25, 1980.

Although we will always remember these people with a deep sense of loss, we found that their deaths, as their lives, were gifts used by God. They gave us a new awareness of our place in this world, a reminder of our roles as children of God. We were reminded of the ephemeral nature of this earthly life. And we were reminded that someday, maybe sooner than anyone would suspect, we will have to give account of our lives. We remember Mrs. Meuzelaar, Jim, and Rita as fine Christian examples, worthy of our memorial for today and our emulation for tomorrow.

I know that my Redeemer
lives and that in the end
He will stand upon the
Earth
And after my skin has
been destroyed, yet in my
flesh I will see God
I myself will see him with
my own eyes — I and not
another.

DEDICATION

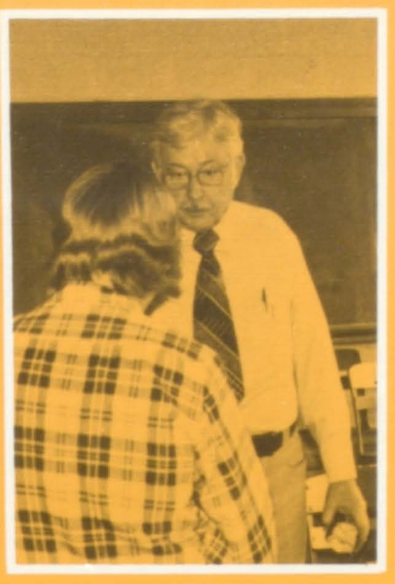

It takes tremendous dedication and remarkable selflessness to spend 27 years in Christian high school education. You have set a Christian example throughout your years of teaching. You have made us probe deeper into the truth of the Bible and although we may not have always agreed with you, we've come to a better understanding of our God. We've always left your class with new and challenging thoughts. You've given much to this school and have always been concerned with helping your students and bettering education at Illiana. In appreciation of your God-glorifying service to Illiana Christian High School, we want to dedicate this book to you, Reverend Bossenbroek.

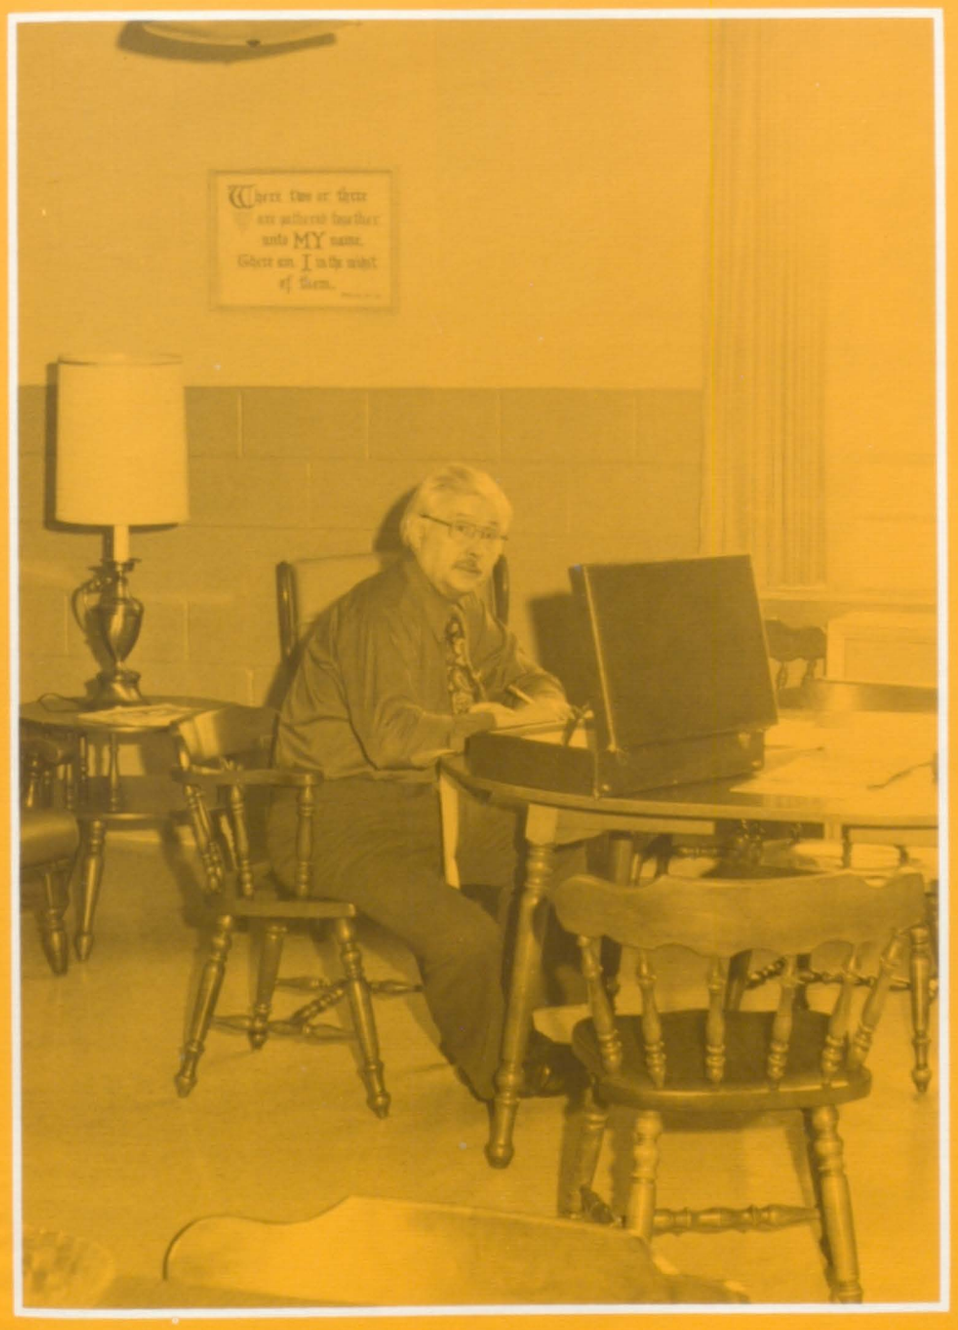

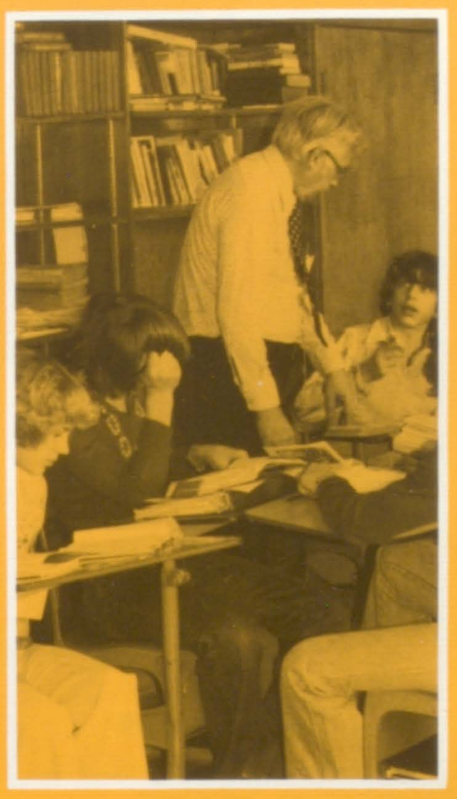

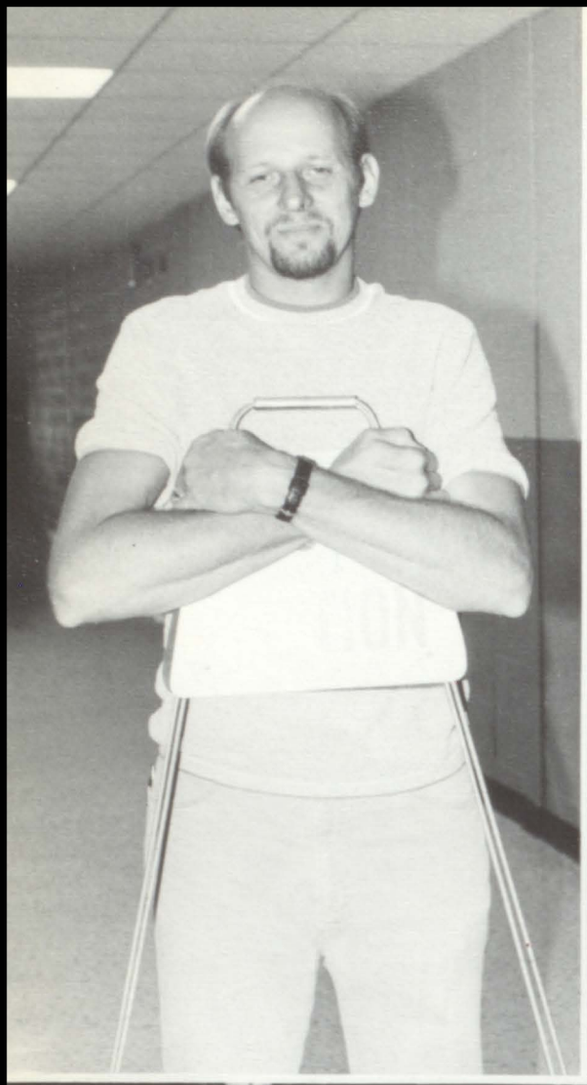

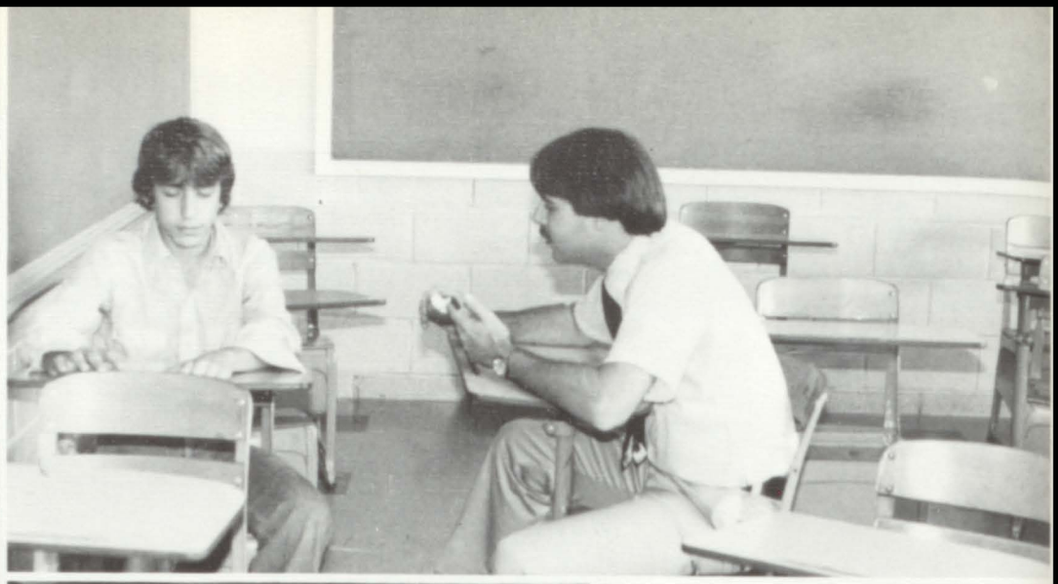

The time God allots
to each one of us
is like a precious tissue
which we embroider as we best
know how.

ADMINISTRATION

But we beseech you, brethren, to respect those who labor among you and are over you, and to esteem them very highly in love because of their work. Be at peace among yourselves. And we exhort you, brethren, admonish the idle, encourage the faintheart-ed, help the weak, be patient with them all. See that none of you repays evil for evil, but always seek to do good to one another and to all. Rejoice always, pray constantly, give thanks in all circumstances; for this is the will of God in Christ Jesus for you. Do not quench the Spirit, do not despise prophesy-ing, but test everything; hold fast what is good, abstain from every form of evil. May the God of peace himself sanctify you whol-ly; and may your spirit and soul and body be kept sound and blameless at the coming of our Lord Jesus Christ. He who calls you is faithful, and he will do it.

LADIES' AUXILIARY

The Ladies' Auxiliary is a group of dedicated women who volunteer their services to help Illiana with Barbeque day, banquets, weddings and other occasions. They put a lot of work into these events. One group of ladies sets tables, another might prepare food, others cook the food and clean up afterwards. The Ladies Auxiliary not only uses the money they make to buy useful, updated equipment for the kitchen, they also have paid for the fencing around the field, warm-up suits for the Wrestling team, a camera for the ECHO staff, the band and choir shell, and many other items. The Illiana community is immensely grateful to these women for their contribution to the educational and extracurricular programs of our school.

Back row: Joyce Moes, Babs Zandstra, Doris Van Drunen, Bonnie Lyzenga. Front row: Jan Miller, Darlene Schoon, Tini DeBoer.

C.O.P.

C.O.P. is the abbreviation for Career Opportunity Program. The purpose of C.O.P. is to inform students of different careers and provide opportunity for them to observe those careers they are interested in. There are fourteen women and one man involved with this program. They all come on various days throughout the week to make the various contacts and arrangements for student appointments. Miss Seelig, the only full time helper for C.O.P., notifies students when their appointments are and makes sure they keep them.

"I wonder if her ring cc t more than mine.'

"And I thought it was used to cut vegetables with."

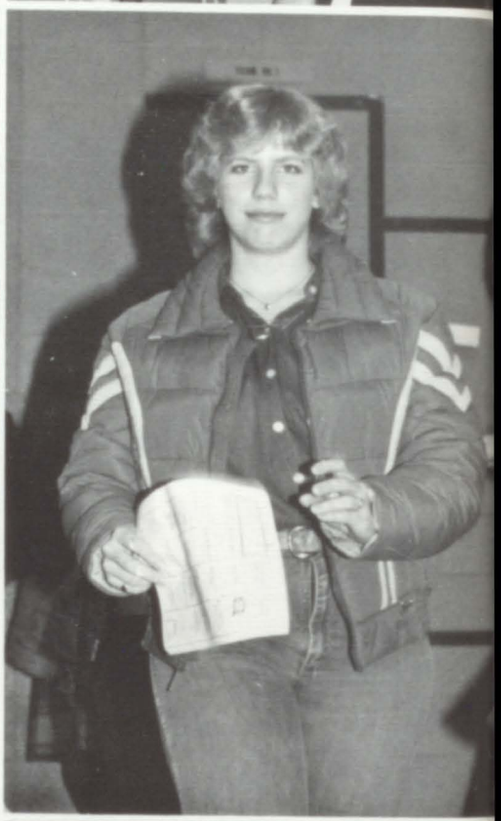

"Did you say — you want a scubadividing appointment?"

CLASS TRIP

On October 16, at 5:30 p.m., the three buses left for Washington D.C. After traveling all night, they stopped for breakfast at Howard Johnson's around 6:00 a.m. No one will ever forget the scrambled eggs at that place! About 11:00 a.m. they arrived in Washington D.C. for a tour of the F.B.I. Building. After the tour they had lunch and had free time to walk around the Smithsonian Institute. They ate supper at Shakey's, and went on a few more tours, and then retired to their motel. The next day the call to breakfast was really a call — telephone that is — at 7:30 a.m. After breakfast they toured the White House, Arlington Cemetery, The Building of Printing and Engraving, The National Cathedral, and the Capitol. Later that afternoon they met Congressman Russo on the Capitol steps. Bus number two was late, so they didn't get a tour of the Senate, but Mr. Russo arranged for them to sit in for a while on a session of Congress. That night, after dinner, they toured the Lincoln Memorial, the Jefferson Memorial, the Washington Memorial, Watergate Hotel, The Kennedy Center, and Constitution and Independence Avenues. They returned to the motel at 9:00 p.m., except for bus number two, which came back late because they saw the President's Motorcade and tried to follow it. The next day the schedule was Mount Vernon, lunch, and then the infamous tour of Gettysburg. After the tour of Gettysburg, they ate supper, and were bound for home. The trip ended at 8:00 a.m. on October 20.

GRADUATION

It was hot and sticky on Friday night, June 6, at Monbeck Auditorium in Highland when Mr. Otte presented the Class of 1980 to their parents, teachers, friends, and families. Dr. G. Van Wylen, president of Hope College, in his commencement address inspired the class to always uphold Jesus Christ as the reference point of their lives. Mr. Ray Ooms, president of the school board, presented the diplomas. The evening ended with shouts, screams, tears and words of congratulations.

June 6, 1980

Dear Class of '80:

What is happening? Is the generation gap narrowing? Teenagers asking a senior citizen for some farewell words! Thank you, Graduates, for the opportunity to challenge you a final time.

You belong to a very special class. Less than four out of ten teenagers in America receive any religious training. In contrast you have been brainwashed in the Christian faith. You stand head and shoulders above most of your contemporaries. You know Him who alone can solve the problems of our age. You know the God who holds in His hand all the nations of the world. You have confessed allegiance to the King who has been given "all authority in heaven and on earth." You are under orders to call all men to enter the kingdom of righteousness, truth, and peace.

And the world urgently and desperately needs the answers you can give. Massive revolution, a doubling of population in a time when nature's resources are being exhausted, frantic stock piling of nuclear weapons, human life losing its value through wholesale abortions, millions ruining their bodies by liquor and drugs, family and social structures collapsing — no philosopher or dictator, no human power or wisdom can solve these serious problems. Only the Almighty, the only Saviour of the world, can put this broken world together again.

Graduates: As you now move further out into society and the world, I call upon you to represent this Lord in all your life and work. Lean upon Him and share Him with others. I urge you to become leaders in every cause for truth and salvation. If you, with other Christians, will witness for your Lord and Savior in this chaotic world, tensions will ease and there may be years of peace and blessedness for you and your children.

The Lord be with you,

Edw. Bossenbroek

CHAPEL COMMITTEE

The main purpose of Chapel Committee is to try to come up with topics and speakers that, in the words of sponsor Mr. Vanden Bosch, "address the experiences of students" and also to combine this with occasional Bible study weeks. It is stressed that chapel is not a church service.

The Chapel Committee has topics or themes for each week of chapel, held on almost every Monday, Wednesday, and Friday. They are also in charge of writing the devotions for first hour classes.

Some of the topics this year were: Nature, The Beatitudes, Alcoholism, Hunger, Islam, and Prayer in the Psalms.

The members of the committee are: Carole King, Lori Cload, Marty Kooy, Pam Leep, Beth Severa, and Cathy De Vries. They were sponsored by Mr. Boerman and Mr. Vanden Bosch.

SPANISH PARTY

The Spanish party was held April 29 of this year. The traditional Mexican meal was served, which included the following: enchaladas, tacos, rice with chicken, and churros. After the meal, everyone gathered in the gym for the annual breaking of the piñata. Dale and Tim Van Baren made the game worthwhile. Mrs. Schuringa said, "This was one of the best Spanish parties because of all of the cooperation."

GERMAN PARTY

On May 20, the German Club had their party in the cafeteria. They sang "Danke" and said the Lord's prayer in German. The meal consisted of bratwurst, knackwurst, frankfurters, sauerkraut, and various salads. After dinner they played volleyball in the gym and several students gave a skit in German. Members of the German Club felt it was much more successful having it at school, rather than a restaurant.

BOWLING

Many Illiana students meet on most Tuesdays at Lan Oak Lanes to bowl. At the beginning of the year, people sign up to bowl as a team. There can be sixteen teams, and every year positions on these teams have been filled quickly. Trophies are given at the end of the year for various achievements. These awards are given in areas such as highest game, highest average, and membership on the first, second, and third place teams.

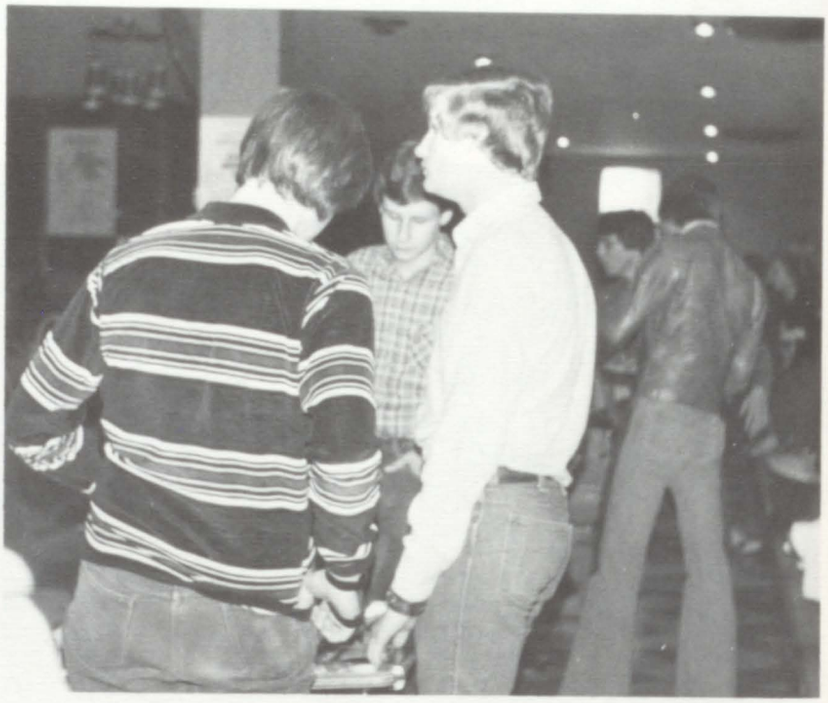

Bowling is an excellent opportunity to combine a sport with a social activity, providing a great way to meet people and to get to know schoolmates better.

PEP BAND

The Pep Band is a select group of thirty-two students, plus alternates, which performs at all home basketball games. In addition to providing the entertainment between halves of the Junior Varsity and Varsity games, the group provided the cheerleaders with the music for their "routines" and helped lead the audience in cheering. The Pep Band provides another outlet for the musical talent of Illiana.

ECHO

The *ECHO* is our bi-monthly school newspaper. The members of the *ECHO* staff are enrolled in 7th period Journalism class. Under the supervision of Mr. Huisman, the staff works diligently to meet their deadlines.

Each member is assigned at least one story on a Monday and has until the following Friday to finish. The stories usually all deal with school-related activities. Some new features to the paper this year were "Odd But A Fact" and "Player Spotlight". The editor, Mary Boerman, and Mr. Huisman proofread the stories and the typists start typing. The page editors begin laying out their pages after school Tuesday and continue that night. The work doesn't stop until Thursday after school when the paper is brought to the printers. The paper is picked up on Friday during 7th period and during that time story ideas are thought of for the next issue. When the papers arrive, they are counted and distributed, and the process starts all over again for the next week.

CHESS CLUB

Chess is a game that requires great concentration, and the students enjoy competing with others who have the same interest. Reverend Bossenbroek is the sponsor of the club and it meets during activity periods. Any one who likes the challenge of chess is invited to come and play any time.

Contemplating strategy.

"No guys, you're supposed to take turns!"

HIKING CLUB

The Hiking Club is made up of over 100 students from freshmen to seniors. Sponsor Mr. Vryhof and President Lori Cload lead the club members through a variety of activities, including films, Saturday hikes, and campouts.

Highlights again this year were the Camp Roger and Turkey Run Overnight Trips. They'll be remembered for "77 Madison Street," "Little Cottage in the Woods," and scaring the wits out of each other. The Special event of the year was the 1979 Glacier Park trip. Mr. Vryhof and Mr. VandeKopple led 9 students around the incredible Rockies of Northwest Montana. The story of their adventures was told to the student body in the "Glacier '79 sight/sound production.

"That's an awfully long way down!"

"Where did they go?"

"Aw, look at the cute birdie!"

SPIRE

The SPIRE staff was composed of seniors chosen by the sponsors, Mr. Moss and Mr. Vryhof during the spring of their junior year.

Serving this year's staff was Carla Vander Weele as editor, Carolyn Bosman as assistant editor, Anne Olthoff as business manager, and Randy Lagestee as assistant business manager. The staff also included a typist, an artist, three photographers, and the layout people.

The group met every Wednesday evening for two to three hours choosing photographs, laying out pages, writing copy, getting advertisements, and producing the yearbook you have right here.

The staff has worked hard, has met frustrations as well as deadlines, and has put a lot of work into making this the best SPIRE ever.

BROOKWOOD TUTORS

Juniors and seniors had the opportunity again this year to assist teachers at the Hickory Bend School by giving additional help to elementary children with special learning problems. Students tutored mostly on Tuesday afternoons during sixth and seventh periods. Like SHARE, this program benefits both children and tutors by building a trusting relationship between them and by building the child's self-confidence.

Following are those students who participated in this program this year: Brenda Barnes, Carolyn Blauw, Doreen Bultema, Judy Gill, Gayle Haan, Karen Hoffman, Pam Knoll, Shelly Nynhuis, Sue Schurman, and Hank Toering.

SHARE

SHARE is a tutoring organization which Illiana students help children with learning problems. It begins in October and extends until May; club members meeting at the Pullman CRC where community children come in for tutoring. Areas of help include mostly math and science. This program develops good relationships between the tutor and student and helps the child build confidence in himself. In the spring, the tutors and children, under the direction of Mr. Geerdes, spent an afternoon having a picnic at Lan Oak park.

The following people were SHARE tutors this year: Luo Ann Inastroza, Judy Geerdes, Becky Potts, Bev Scheeringa, Sandy Schaap, Sue Van Kley, Sue Polaskey, Lisa Hamlin, Robin Early, Lori De Young, Heide Mulder, Diane Hamstra, Kim Brink, Tami Hoekstra, Laurel De Boer, Michelle De Vries, Don Ridder and Lisa Ooms.

SSENISUB

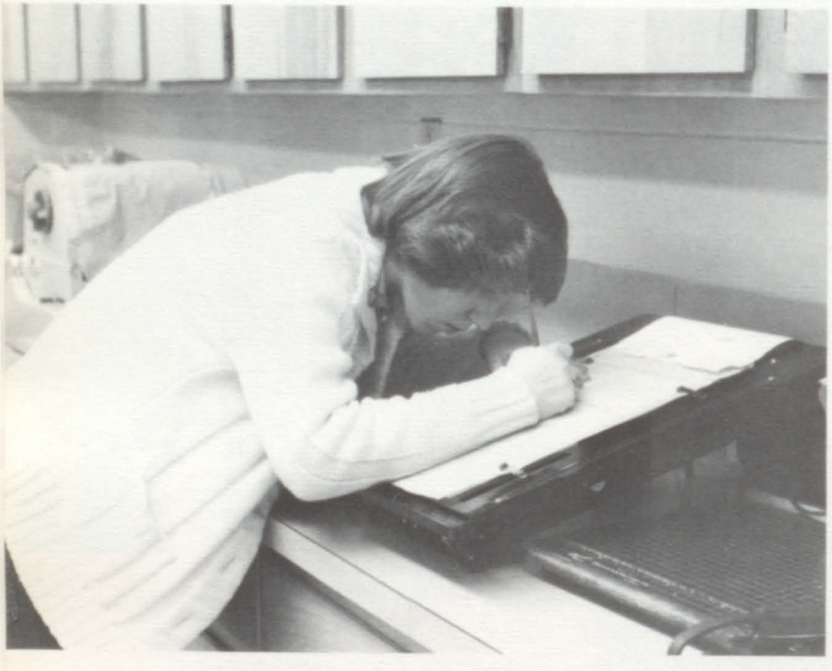

The name of the club is derived from the word business, spelled backwards. The members of Ssenisub are students who are specializing in business courses at Illiana. In order to prepare themselves for future employment, they meet one Tuesday night a month for the purpose of exploring the business world and learning more about it.

One way they achieved this was by inviting people presently employed in the business field to speak about it.Mrs.Jan Miller came and spoke about what it is like to work in a small legal office. Mr. James Iwema spoke about working in a large corporation.

Another way they explored the field was by visiting different places. Mr. Bruce Leep gave a tour through Highland Bank, explaining the different departments. The final Ssenisub outing was the day spent in Chicago touring Moser College, C.N.A. Insurance Co., and Trade of Commerce.

HOMECOMING 1980

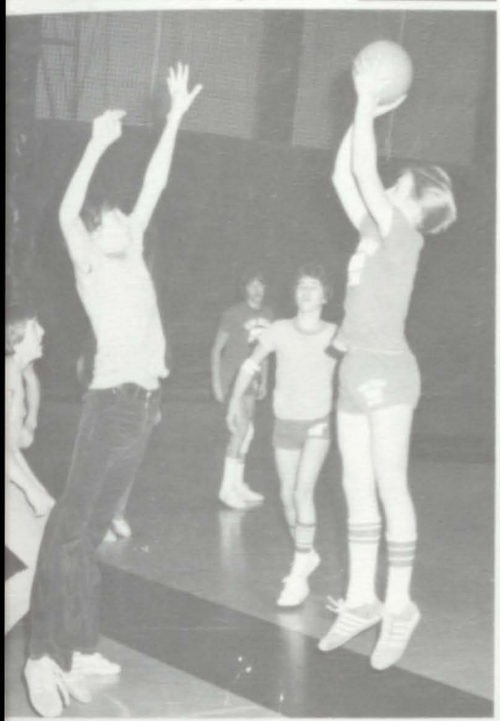

ACTIVITIES

S.A.C.

This year S.A.C. sponsored another hilarious "Almost Anything Goes." Seniors managed to take the overall victory. The theme for this year was the powerful story, *To Kill a Mockingbird*. S.A.C. also held an optional cartoon festival during two consecutive activity periods. Candy canes were passed out at Christmas time by costumed S.A.C. members. February 14 marked another hearts' contest. Many were broken, many were lost. The student with the most hearts at the end of the day was sophomore, John Groen. This year S.A.C. carried on the tradition of injecting some variety into activities of the student body.

STUDENT COUNCIL

Student Council is an organization of students, six from each class, elected in the spring. The group meets about every two weeks to discuss upcoming events of which they are in charge.

Two blood drives were held this year, one in the fall and one in the spring. Student Council again sponsored a night of hall decorations for the Christmas season. Brunch with Mr. Otte was also under the supervision of Student Council.

Twirp Week and Gentlemen's Week were held in February. Student Council Week itself was held in March. This week included such days as Clash Day, Dress Up Day and Western Day. Student Council also organized a bike day in May.

HOMECOMING

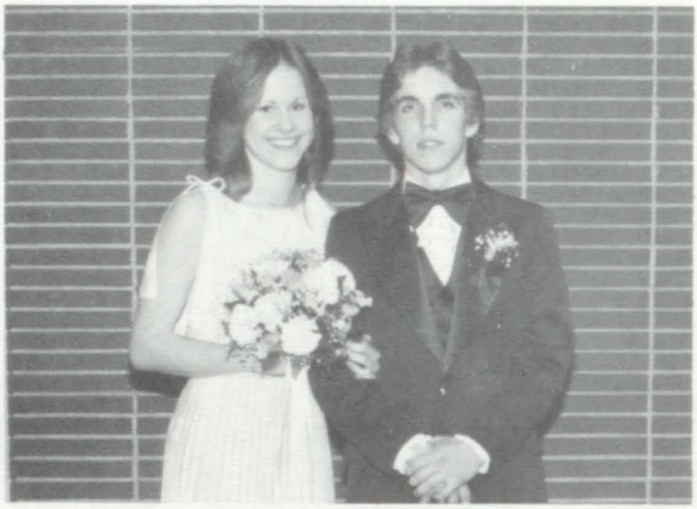

This year's homecoming was held on January 26. Illiana was victorious over Luther North that evening by a score of 54-41.

There were many new ideas incorporated into this year's festivities. For the first time, Illiana's past queen, Cindy Ward, presented a plaque of recognition to this year's queen, Cindy Beezhold. Also, Mr. Deckinga assisted the Student Council by building a wooden platform for the Queen and her Court to sit on during the game. Rich Petrie, a senior, dressed up as a Viking mascot and rolled out the white carpet for the couples.

Although this is normally a memorable event, this year will especially be remembered by the Illiana family. Two of our 1979 graduates celebrated their heavenly homecoming while traveling to our Illiana homecoming.

SOPHOMORE TEA

The theme of this year's sophomore tea was an Oriental one. The theme was brought out by the decorations, food, and also the entertainment, a play, called "The Stolen Prince."

The menu for the tea consisted of mandarin salad, fortune cookies, egg rolls, chinese almond cookies, and chinese tea.

But for many, the best part was the play, It was a short play about a boy and a girl born to the royal family, and in keeping with custom, the girl is ordered to be killed. An older sister attempts to save her, but kidnaps the prince instead. The story tells of the unusual way the prince returns to the kingdom.

"They never told us it would be like this!"

JR.-SR. BANQUET

The Junior-Senior Banquet of 1980 was held on May 2 at the Condesa del Mar in Alsip, Illinois. About 350 people attended. With Roger Doornbos as M.C. the dinner followed, prayer by Cathy Beezhold and toasts by Randy Lagestee and Dale Hillegonds. Furnishing dinner music were two strolling violinists who honored song requests during the meal. The highlight of the evening was the entertainment of "Mr. Sound Effects," Wes Harrison, who enthralled us with his utterance of a wide array of sounds, aided only with a microphone. His "Duck Hunt" story was unforgettable. The banquet Committee should be commended for arranging such a memorable evening.

AWARDS NIGHT

This year's Awards Night, sponsored by the Student Council, was held on Thursday, May 29. It followed the theme of "A Tribute to DeMotte." The evening began with a toast to the teachers by the chairperson, Mary Boerman, and a toast to the students by Rev. Bossenbroek. Dinner, in the school dining room, was served by the Ladies Auxilary. Entertainment was presented in the old gym which included real down home country music by the "Blades of Bluegrass," visitors from DeMotte comparing lifestyles and "swinging pinkies," and various other acts from "down on the farm."

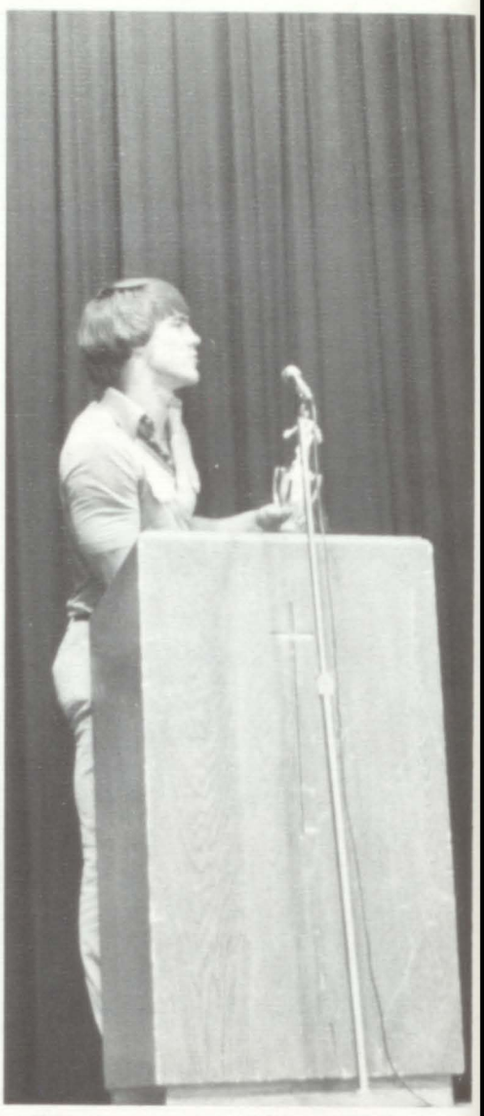

The annual presentation of awards concluded the successful evening. Each department presented an award and a book to an outstanding student in that area. Sports awards, National Honor Society, activity pins and some special awards were also presented.

INTRAMURALS

Intramurals are played during activity periods on Tuesdays and Thursdays. Their purpose is to give students who are not on a team, but who still like to play, an opportunity to enjoy a variety of sports.

In the fall the girls play volleyball and the boys play soccer. In the winter it's basketball for everyone, and in the spring there is softball for the girls and flag football for the boys.

"Who tied the basketball on a string?"

Miniature soccer.

"Who hid the basketball?"

Freshmen display their "talent" in basketball.

Who said intramurals were for fun?

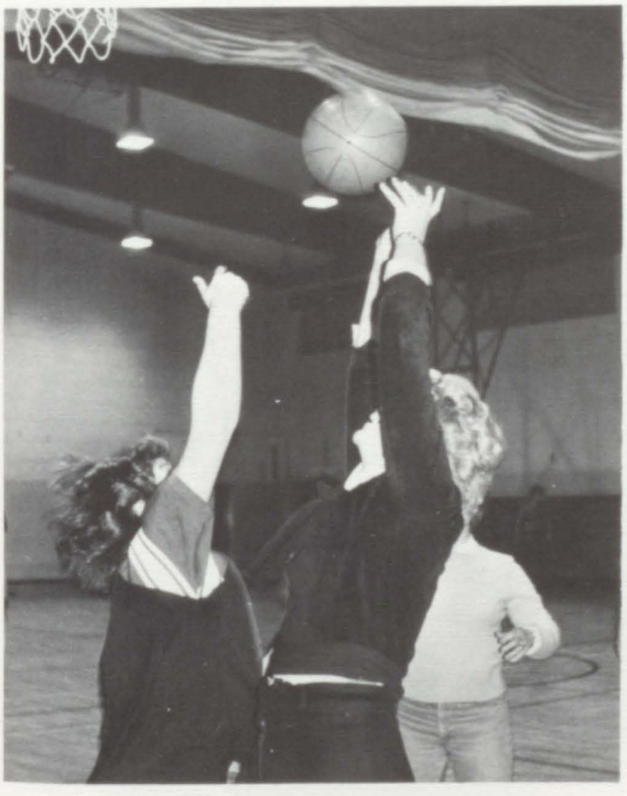

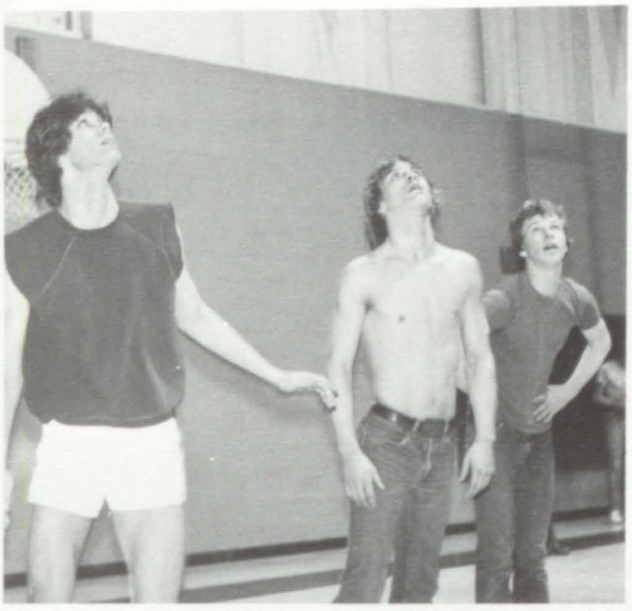

"No, it's not supposed to bounce first!"

"Bart, next time kick the ball, not the air."

"I can't believe it went through the roof."

The gals regroup before the game gets going again.

FINE ARTS

FALL PLAY

This year *The Admirable Crichton* was performed. The main character, Lord Loam, holds a party at which he brings his servants up to his social level to allow them to get a taste of how the "upper half" lives. His butler, Crichton, hates these parties because he feels that everyone has a place and this balance should not be upset. A cruise results in shipwreck on an island, and the story provides a delightfully entertaining look at people and 19th century society. This was the first play directed by Miss Schuringa and she did a remarkable job. Gayle Haan and Pam Leep were the two student directors. Gayle Haan commented, "The play was well-done with sophisticated and catchy humor. It was a comment on society showing that in certain situations the natural leader comes out."

"I am ashamed to be seen talking to you, my lady."

A wonderful Director!

"Crichton! Crichton!"

"Dear Gov! I shall never give you up."

"I always understood that if you flung stones at the monkeys, they would retaliate by flinging coconuts at you. Not one monkey could grasp my meaning."

"Vampire bats suck the blood from our toes as we sleep?"

"Quiet! It's impossible for me to finish writing with all these rotten interruptions."

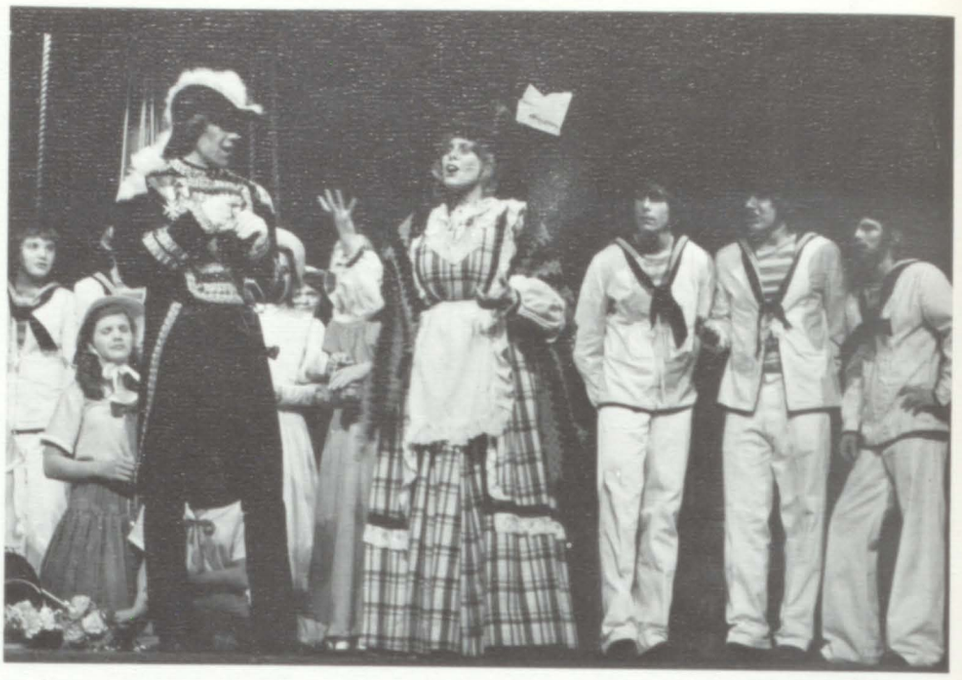

It's finally over!

OPERETTA

On March 20, 21, 22, Gilbert and Sullivan's *H.M.S. Pinafore* was given in Illiana's old gym. The operetta takes place on a ship where a sailor, Ralph Rackstraw, has fallen in love with Captain Corcoran's daughter, Josephine. The class pride of the Captain stands in the way of Ralph's love for Josephine and Buttercup's love for the Captain. Meanwhile, the Captain is arranging a marriage for Josephine with Sir Joseph Porter, who is of very high class. Josephine can not stand Sir Joseph Porter and he notices her coldness. At the end of the play, Buttercup reveals a secret that solves everything. Years ago she brought up both Ralph and the Captain when they were babies and mixed them up. The Captain becomes a sailor and Ralph becomes the Captain. Josephine is able to marry Ralph and Buttercup marries the Captain.

Miss Schuringa directed this year's operetta, her third. The lead parts were played by Jill Van Milligan and Brent Van Dyke, a veteran to the operetta as a cast member. Randy Frieling did a very fine job as pianist. Pam Leep, student director for the Fall Play, also assisted in the direction of the operetta. Many other people worked on costumes, sets, and make-up committees to make the operetta a success.

Buttercup reveals her secret.

"For he is an English man."

"Josephine, in one brief breath I love you."

"His nose should pant and his lip should curl."

"Sorry her lot."

Helping Ralph and Josephine escape.

"What? Do you propose to leave the navy then?"

CHILDREN'S THEATER

Children's Theater produced *The Storytellers* and performed it for the four area Christian grade schools. This was the first time in five years that a Children's Theater was produced. Its purpose was to involve more students in the drama department.

The whole production consisted of four short fairytales, and was introduced by the Mirrorman and the Toyman. The fairytales were "The Real Princess," "The Giant and the Three Golden Hairs,""The Shoemaker and the Elves," and "The Nightingale."

It was a good experience for the actors to do something like this. Children's Theater is different from all other theaters because of the audience it is directed to. Every action must by done bigger than life and with a lot of energy. All of this keeps children's attention and makes for a better show.

This year was unique because it was the first time an Illiana student, Carolyn Bosman, directed the entire show. It was a lot of work, but the end result was a great production.

"I amTHE KING!"

"Let's make shoes."

"But you're supposed to move when I do!"

"Puh!"

Student director, Carolyn Bosman, concentrates on the cast's performance.

FINE ARTS

Fine Arts Week was held April 21-25. On Monday, the pianists performed. All of the forensics pieces and art judging took place on Tuesday. Wednesday was the day for instrumentalists to perform. Voice participants displayed their talents on Thursday. Thursday night awards were announced and presented, and winners in categories performed their pieces. Mr. Spoelstra, Gayle Haan, and Jeanine Van Baren were general chairpersons for this week in which Illiana students have opportunity to develop and display their God given talents.

FINE ARTS COMMITTEE: Gayle Haan (Student Chairperson), Mr. Spoelstra (Sponsor), Jan Norman, Jan Spoolstra, Jeanine Van Baren (Student Chairperson), Carole King, Lori Cload, Pam Leep.

BRASS ENSEMBLE

The Brass Ensemble consists of four musicians, two trumpeters and two trombonists. Randy Lagestee is the leader of the group and he decides the times and places for rehearsals and performances. Rehearsal is usually held during activity periods or on Sunday afternoons. The Brass Ensemble participated in chapel and performed during the Fine Arts Week this year.

WOODWIND QUINTET

Illiana's Woodwind Quintet is a select group of students comprised of a flutist, an oboeist, a clarinetist, a french horn player and a bassoonist. Rehearsals usually are held on Wednesday after school. The Quintet performed at churches, contests, and Fine Arts. The group originated when Jodi Cole decided to get a group of girls together for practice and performances. They became organized during the year and they hope to be playing more often now that they are "official."

LAB BAND

This year's Lab Band consisted of sixteen students. They played a variety of music, but with more contemporary than classical. The group practices Thursday evenings, or during activity periods. They were chosen and directed by Mr. Bilyeu.

One of the performances for the band was playing for the area Christian grade schools. They also substituted for the Pep Band at one of the basketball games.

Members of the band are: Deb Bosch, Doug Bottom, Deb Dobben, Robin Earley, Kevin Earley, Dave Eizenga, Ross Hoogewerf, Dave Huizenga, Steve Jones, Randy Lagestee, Keith Lindemulder, Dave Novaez, Steve Olthoff, Dale Porter, Brian Vander Molen, Jeff Van Drunen. Special thanks to Wally Swets, who helped on drums.

CHAMBER SINGERS

Chamber Singers are an independent group of ten choral singers, who perform at churches, schools, and other activities they choose.

The group had no sponsor, but were often advised by Mr. Buursma. They usually practiced Wednesdays after school and Sunday afternoons.

The Chamber Singers performed a cappella, four-part music from all periods, some secular, although more emphasis was placed on religious music.

Their busiest time this year was during the Christmas season when, according to member Carolyn Bosman, they had about two engagements per week.

Being a Chamber Singer is such tiring work.

Illiana's finest performs for chapel.

What a group!

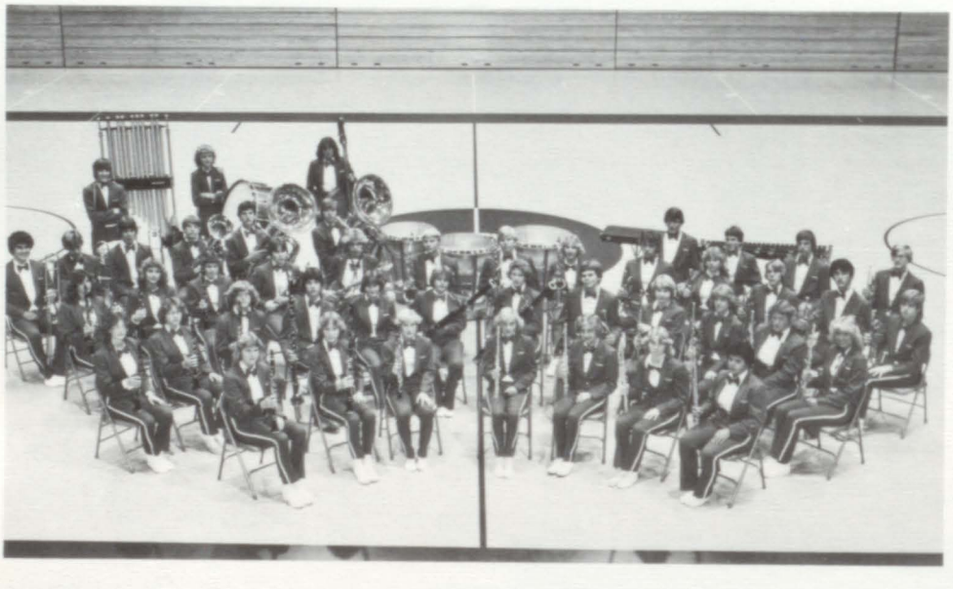

BANDS

Freshman Band is organized primarily for the purpose of acquainting the freshmen with the routines of a high school band and getting used to the new people around them. The freshmen participated in the Fall Music Festival, the Christmas Concert, and the Spring Band Concert this year.

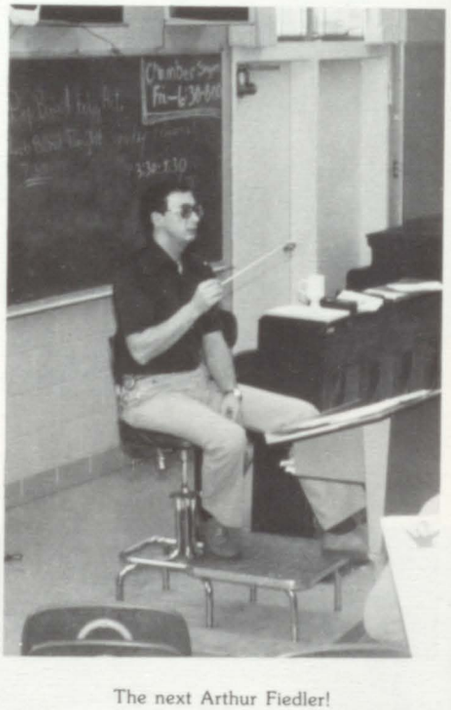

Concert Band is made up of sophomores and performs at all of the concerts. They combined their talents this year with the Symphonic Band for marching in the Lansing Good Neighbor Parade and also in the Tulip Time Parade in Holland, Michigan. They also gave concerts to all of the area grade schools. Symphonic Band is comprised of approximately ninety members, all of whom are juniors and seniors. They meet to practice during second period. The Symphonic Band performed three concerts during the school year, which included the Fall Music Festival, the Christmas Concert, and the Spring Band Concert. They also performed in the Calvin College Music Festival. At this festival some of the members were chosen to be in the Honors Band. In the spring the band marched in the Tulip Time Parade and entered competition in the Illinois High School Association Band Contest on March 1. All three bands are ably directed by Mr. Alan Bilyeu.

CHOIRS

Freshman Choir, which consisted of eighty members, spent the year developing their vocal and sight reading skills. The choir performed at the Fall Music Festival, the Christmas Concert, and the Spring Concert. Throughout the eyar they also assisted musically in many area church services.

Intermediate Choir, with its fifty members, had a full schedule this year. Along with the Freshman Choir, they performed at the Fall Music Festival, the Christmas Concert, and the Spring Concert. In March, the choir worked very hard for the production of the *H. M. S. Pinafore;* which was very successful.

A Cappella Choir has made several appearances throughout the area. They gave many of their own concerts this year, such as their Christmas Concert and Spring Concert. They performed on "The Sunday Evening Club" which proved to be a rewarding experience. The A Cappella Choir had the honor of being invited to the University of Illinois to participate in the High School Choral Festival with seven other top choirs in the state. This year's members again upheld the tradition of excellence which has always characterized the A Cappella Choir.

SPORTS

GIRLS'

The girls' tennis team ended their 1979 season with a conference record of 1-6. Pam Molenaar played first singles, but early in the season she sustained a foot injury, and was replaced by Julie Zandstra.

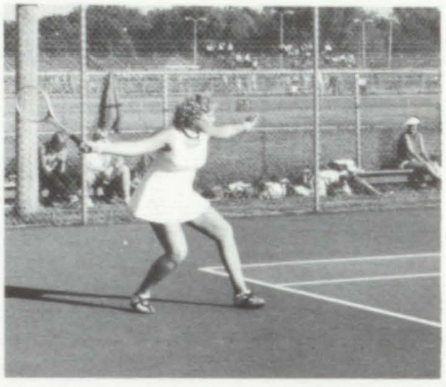

In varsity competition the line-up for singles was: Julie Zandstra, Terri Dykstra, and Nancy Boersema. The doubles teams consisted of Deb Dobben/Cathy Berquist and Jan Vander Aa/Kathy Frieling. Terri Dykstra was the only senior in varsity play.

This year's J. V. players were Mary De Boer, Sharon Vander Bilt, Luanne Wondaal, and Tammy Morris.

Although the team had a trying season, they expect the return of these experienced players will result in a better season next year.

GOLF

The highlight of this year's Varsity golf season was a first place finish in the PSL golf tournament. The Vikings won with a total score of 358. Illiana's Jim Koedyker was a medalist in the competition capturing third place.

The top three individual season average for the Varsity golf team were held by Bill Zandstra 44.0, Bill De Boer with 44.1, and Jim Koedyker with 44.6. Illiana's Varsity placed 4th overall in PSL season competition.

CROSS COUNTRY

The cross country teams enjoyed one of the better seasons because of their willingness to run more during the summer and to practice harder during the season. In league competition they placed fifth out of eight schools; fourth out of thirteen schools in district competition. They were the first of Illiana's teams ever to go to sectionals. They also participated in two invitationals, one from Calvin College in which they placed seventh out of thirteen Christian schools. The competition between the top seven schools was extremely close. Their performance at Calvin was a lot better than the scores indicate. It was so close that eight points separated fourth place from seventh place. The other invitational was at Minooka where Illiana placed tenth out of twenty-three schools.

J. V. VOLLEYBALL

Clinics during the summer brought out a lot of new talent on the J. V. level; consequently, twelve new players were chosen. None were returning from last year's team. Four sophomores and eight freshmen began the season, not knowing each others strengths and weaknesses. By the end of the season the players worked well together as a team. They displayed dedication, cooperation, and an eagerness to learn. Skills were developed in practices held about three times a week. Performances in games resulted in a six win and twelve loss season. These results, however, do not tell the whole story. The team had many close games and three-game matches. Overall the team had a fine season and is looking forward to next year.

Back Row: Darla Van Zyl, Nancy Vree (Line Judges), Bonnie Huizenga, Cindee Ham, Alison Vander Zee, Linda Clousing, Diane Tiemens, Rose Bultema, Miss Krygsheld (Coach). Front Row: Julie Schaap, Sharon Turngren, Julie Dykstra, Lisa Tuinstra, Jan Terpstra, Cathy Dykstra.

VARSITY VOLLEYBALL

The team was chosen on August 20 and 27, and practice began to intensify as the season drew closer. Composition of the team was unique with six seniors (two of whom made the all-conference team, Carla Vander Weele and Lori Schneider), two juniors and four sophomores. Starting line-ups were based on the type of offense or defense needed and some players were able to switch between setter and spiker roles.

Non-conference schools such as Bloom, Crete, Mt. Assissi, and Seton were played to prepare for Private School League games. After a 1-5 record against these schools, the team caught fire and put together a string of eight consecutive regular season victories. Taking second place in the PSL Tournament topped a very enjoyable season.

SOCCER

This year's Varsity soccer team was inexperienced at the beginning of the year, but they improved tremendously and played well together. The team established a new school record with the most wins in a single season. Their record was 11 wins, 5 losses, and 2 ties. The J. V. soccer team ended up with 6 wins, 6 losses, and 2 ties which points out the balance of ability between their opponents and themselves. The players developed their skills as they developed a winning attitude. Although plagued by inconsistent play and defensive problems, the Freshmen soccer team still managed 4 wins, 6 losses, and 3 ties. With more practice and returning experience, they expect a better season next year.

WRESTLING

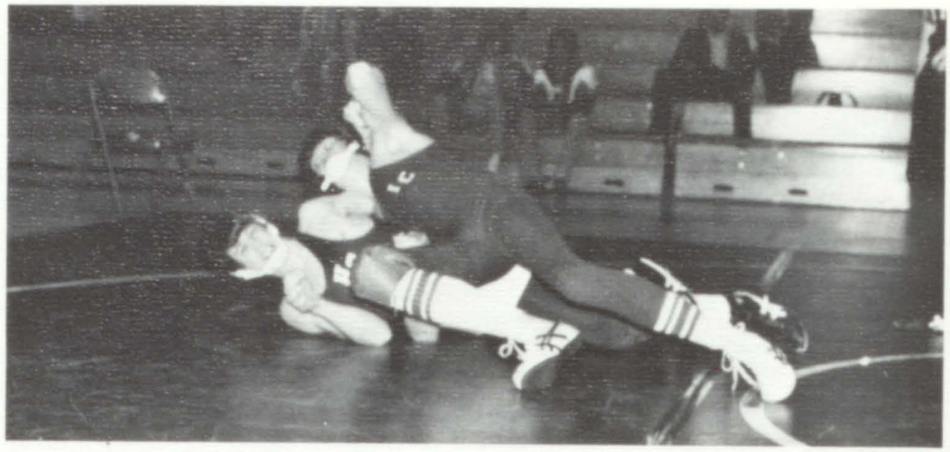

Wrestling completed its tenth year as an interscholastic sport at Illiana this year, and the popularity of the sport is increasing among both participants and spectators.

The wrestling season begins the first of November with daily practices held in the balcony section of the new gym. A typical practice under the supervision of Mr. Cole, Varsity coach, and Mr. Deckinga, J.V. coach, consists of intensive instruction, drills, and exercises.

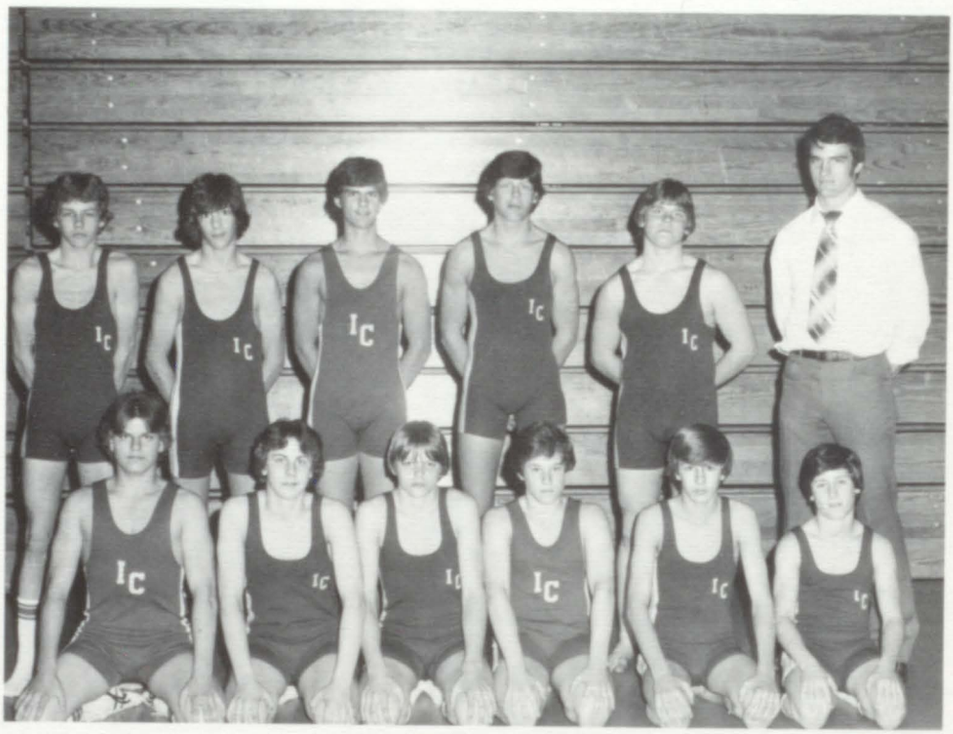

Dual meets and tournaments provide the competition during the season. The conference tournament is held the first weekend in February. Individual champions in each weight class are determined in this tournament as well as the team champion. Competition in the district, sectional, and state tournaments is held for qualifiers on succeeding weekends.

FRESHMAN BASKETBALL

The first year of basketball at Illiana is a learning year as the players get to know each other and play together. The Freshman team consisted of fifteen boys, who came from six different junior high schools. They practiced and played hard, working to improve their skills. Though having a record of 8 wins and 13 losses for A team, and 4 wins and 3 losses for the B team, the balance of scoring and ability makes the future look encouraging.

SOPHOMORE BASKETBALL

Less than adequate defensive play, coupled with dull offensive play, sunk this year's team to a record of 5 wins and 7 losses halfway into the season. Yet, sparked by a no quit attitude and a solid team effort, they ignited to win 8 of their last 12 games. Finishing an undisputed third place in the P.S.L. with a record of 9 wins and 5 losses, the team came on very strong in the end. For a team expected to be only average, this team proved that dedication and hard work can produce positive results. Their overall record was 13 wins and 11 losses.

This year's Varsity Basketball team again had a winning season with an overall record of sixteen wins and thirteen losses. Their P.S.L. record was seven and seven. But this year the Varsity team accomplished something that no other team in the history of Illiana has ever done — they won the Regional Basketball Championship by defeating Willowbrord. Mr. Van Dellen, along with the team, should be congratulated for a very successful season. Way to go guys!

CHEERLEADERS

Varsity Cheerleaders were selected in the spring, and during the summer they spent four days at a cheerleading camp, which they paid for by selling doughnuts during the school year. The J.V. Cheerleaders were selected in the fall. This was the first year for Wrestling Cheerleaders. Besides leading cheers at games and matches, cheerleaders are in charge of leading our pep assemblies and representing the student body to other schools.

GIRLS' VARSITY BASKETBALL

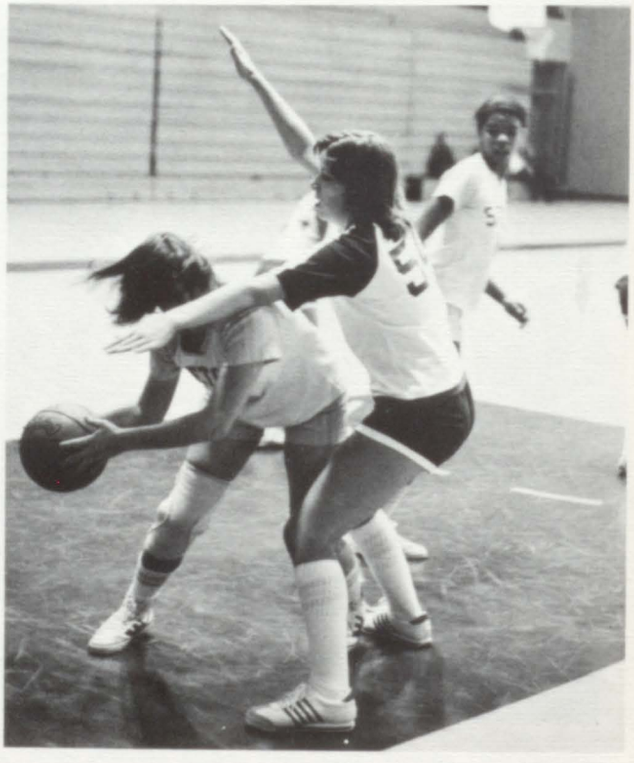

The Girls' Varsity Basketball team had a very long and rough season this year. They started practicing on November 15 and finished the season on March 10, when they lost in the first round of Class A Tournament play to Chicago Christian. According to Coach Zwart, they improved gradually during the season. The team was very inexperienced with only two returning letter winners. Their overall record was four wins and twelve losses with a P.S.L. record of three wins and four losses. Everyone has high expectations for next year when the veteran team members return with their invaluable experience.

The Junior Varsity Basketball team once again had an undefeated season and captured first place in the P.S.L. This year's team was well-coached by Mr. Henry Schenkel, a teacher at Lansing Christian School. Using their tough defense and their fired-up offense, they soundly defeated all of their opponents. Because of the success of this year's team, a great season is expected next year as the sophomores move to Varsity and as the freshmen return to provide the J.V. with valuable experience.

A fast break in the making?

GIRLS' TRACK

This year's girls' track team had a very successful season. Although not as many points were won this year as last year, the girls put forth a lot more effort and worked much harder. Mr. Brouwer was the girls' coach. He spent a lot of time helping the team by handing out training schedules and encouragement. The girls started their season in March and had their first meet against Lemont on April 15. The season ended with the District meet, which involved 22 schools. There are hopes for another good season next year because many of this year's team members were underclassmen and have gained valuable experience.

Back row: Mr. Brouwer (Coach), Lisa Tuinstra, Sharon Turngren, Jacque Wilson, Karen Hoffman, Julie Zandstra, Laura Smits, Diane Tiemens, Tina Werno, Kim Rock, Barb Solomon, Judy Lorenz, Mr. Van Noord (Head Track Coach). Front row: Sue Kuiper, Kathy Frieling, Gayle Venhuizen, Val Pruim, June Van Milligan, Carla Dykstra, Kathy Oezer, Lisa Hamlin, Sue Hoekstra, Cathy Dykstra.

Cathy flies over the hurdle.

BOYS' TRACK

The boys track team had a successful season. They finished 5th out of 8 in the Private School League Finals, and 7th out of 12 in a invitational at Calvin College. Senior, Rick Stallinga, led the team in points. The team was made mostly of underclassmen. The Frosh-Soph finished 2nd at the Luther South Invitational. In the PSL Finals they finished 3rd, even though many freshmen and sophomores were on the varsity level that day.

Front row: Roger Doornbos, Dave Novaez, Bob Lemon, Steve Dykstra, Jerry Zandstra, Dale Hillegonds, Rick Stallinga, Phil Woldt, Mike Vander Zee, Jeff Krygsheld, Jack Slager.

GIRLS' SOFTBALL

This year the girls finished in fourth place in the P.S.L. with a 4 and 6 record. According to Coach Zwart, this year's team was a lot tougher thanks to last year's team because of the higher level of skill and more experience. Although the girls lost their final game in state tournament play by a score of 3 to 1, this was the best game of the season. The overall record for the team was 6 wins and 7 losses, a great improvement over last year's team.

Back row: Cathy Beezhold, Lori Schneider, Terri Dykstra, Deb Dobben, Deb Jolink, Sue Wiltjer, Jill De Groot, Julie Schaap, Jayne Triezenberg, Nancy Medema, Miss Zwart (Coach). BOYS' TENNIS

This year's tennis teams started practice on March 18, with a squad of 18 members. Mark Hoeksema, a student teacher at Illiana this year, coached both the Varsity and Junior Varsity teams. The teams were very young, with only one senior, Ron Yartz. The overall record for the Varsity team was 4 wins, 7 losses, and in the P.S.L. they had 3 wins and 4 losses. The record for the Junior Varsity team was 2 wins, 6 losses and in conference, they had 2 wins and 3 losses. According to Coach Hoeksema, Brent Rinkema was the "bright spot" on the team.

JUNIOR VARSITY — Back Row: Jim Van Duyn, Dave DeGraaf, Ken Van Kuiken, Craig Piersema, Mr. Hoeksema (Coach). Front Row: Scott Hendrix, David Eizenga, Eric Van Proyen, Mark Van Zuidam.

JV BASEBALL

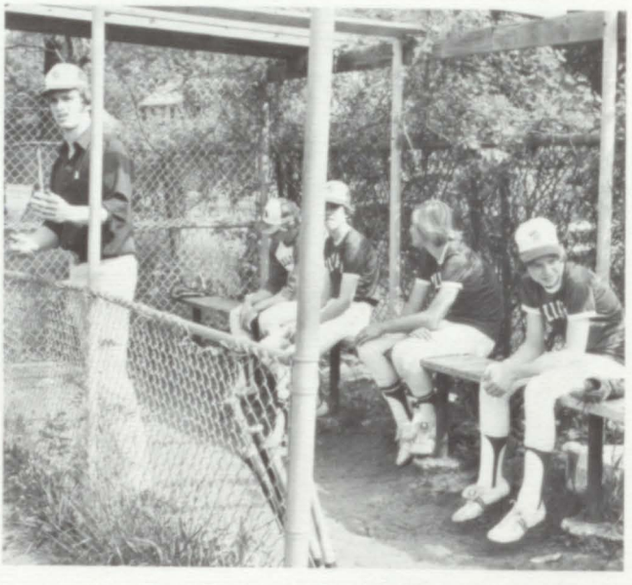

Mr. Deckinga coached this year's Junior Varsity Baseball team. The J.V. team, as well as the Varsity, ran into problems with poor weather which delayed many of their games until later in the spring. The coach felt that the team did work well together although they had most of their problems in the hitting area. He mentioned that the team was very inconsistent with their hitting and some games it just disappeared altogether. In spite of their not-so-good record, the team did learn valuable lessons and got experience which will be needed next year on the Varsity team.

VARSITY BASEBALL

The Boys' Varsity Baseball team didn't do as well as they expected this year. Mr. Veldman, coach, was anxious to begin the season but because of rain and poor weather conditions, many of their games were postponed until later in the spring. Towards the end of their season, they were busy with makeup games, sometimes up to four games in one week.

This was the last season that Mr. Veldman will be coaching the Varsity team. He commented, "It's a shame to have to end the season when we were just starting to play so well. The saddest thing is that we didn't start getting it together earlier in the year."

"Hey, Bill, would you look at those legs!"

The perfect form?

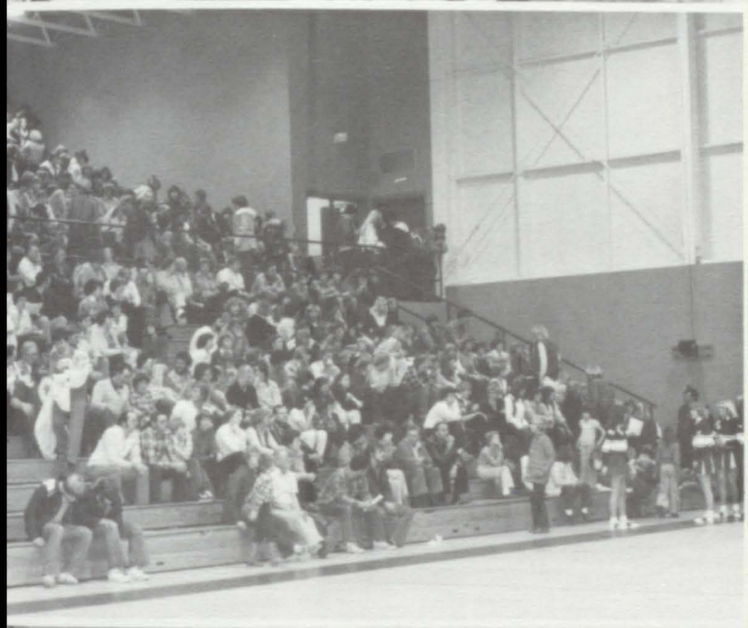

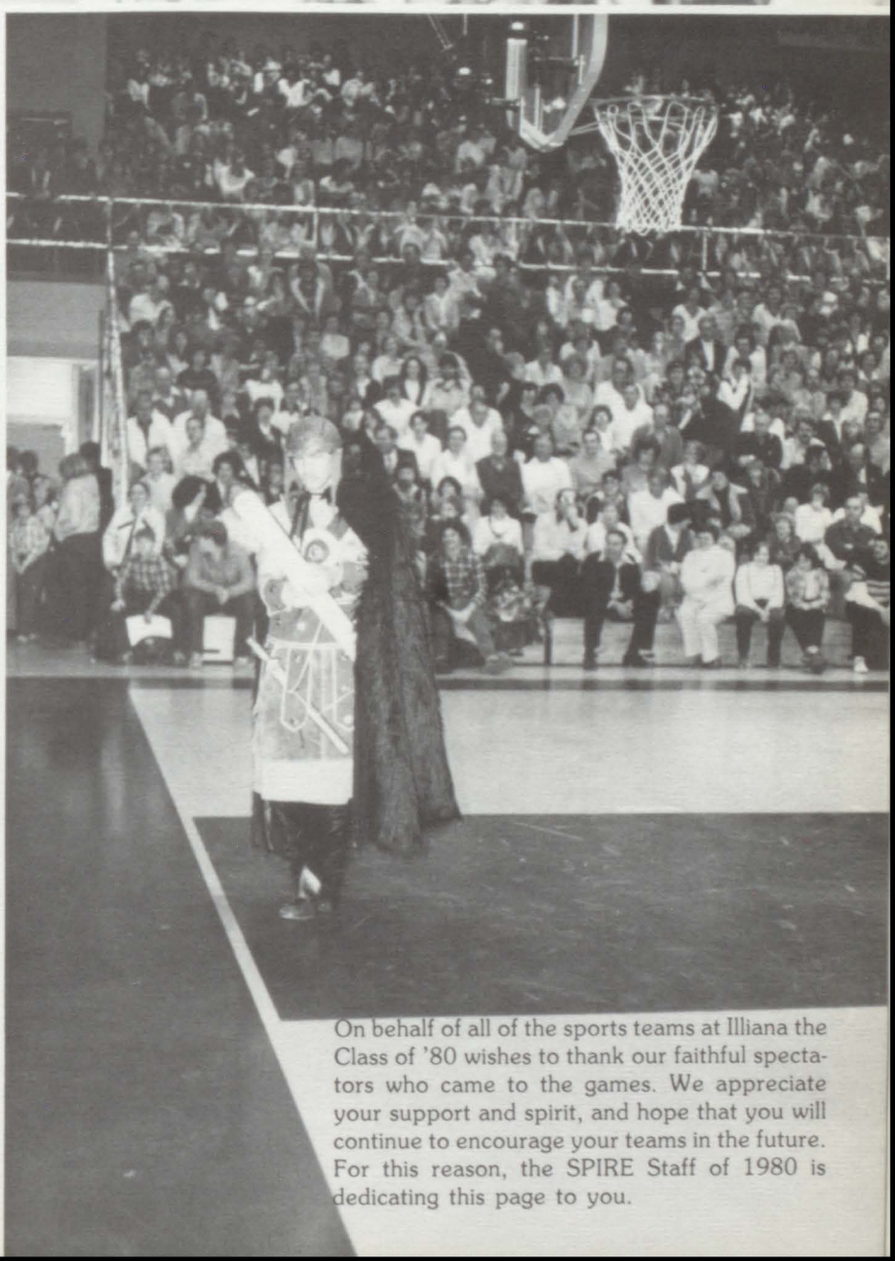

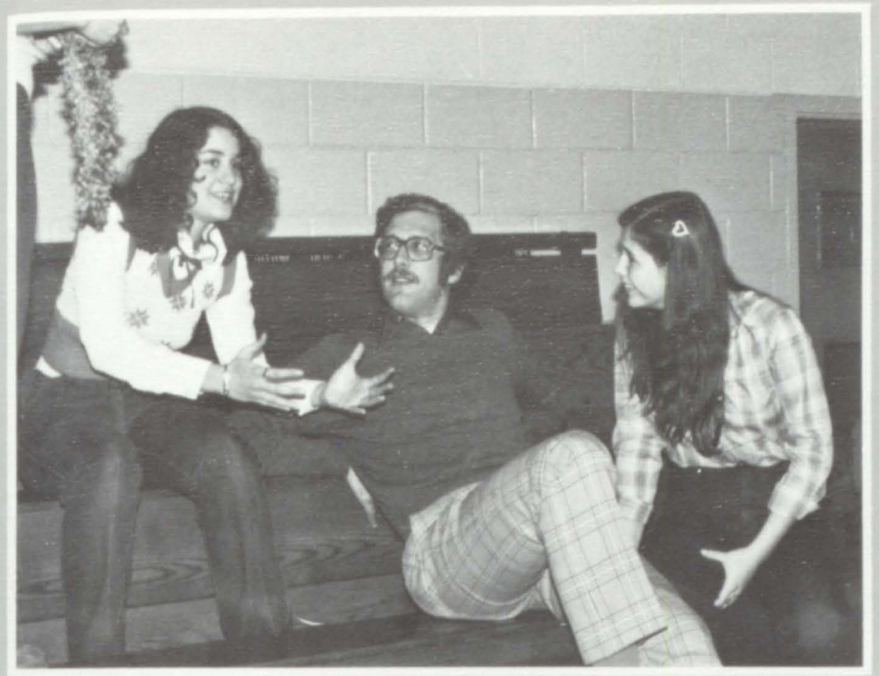

On behalf of all of the sports teams at Illiana the Class of '80 wishes to thank our faithful spectators who came to the games. We appreciate your support and spirit, and hope that you will continue to encourage your teams in the future. For this reason, the SPIRE Staff of 1980 is dedicating this page to you.

O Holy Spirit of God, abide
with us;
Inspire all our thoughts;
Pervade our imaginations;
Suggest all our decisions;
Order all our doings.

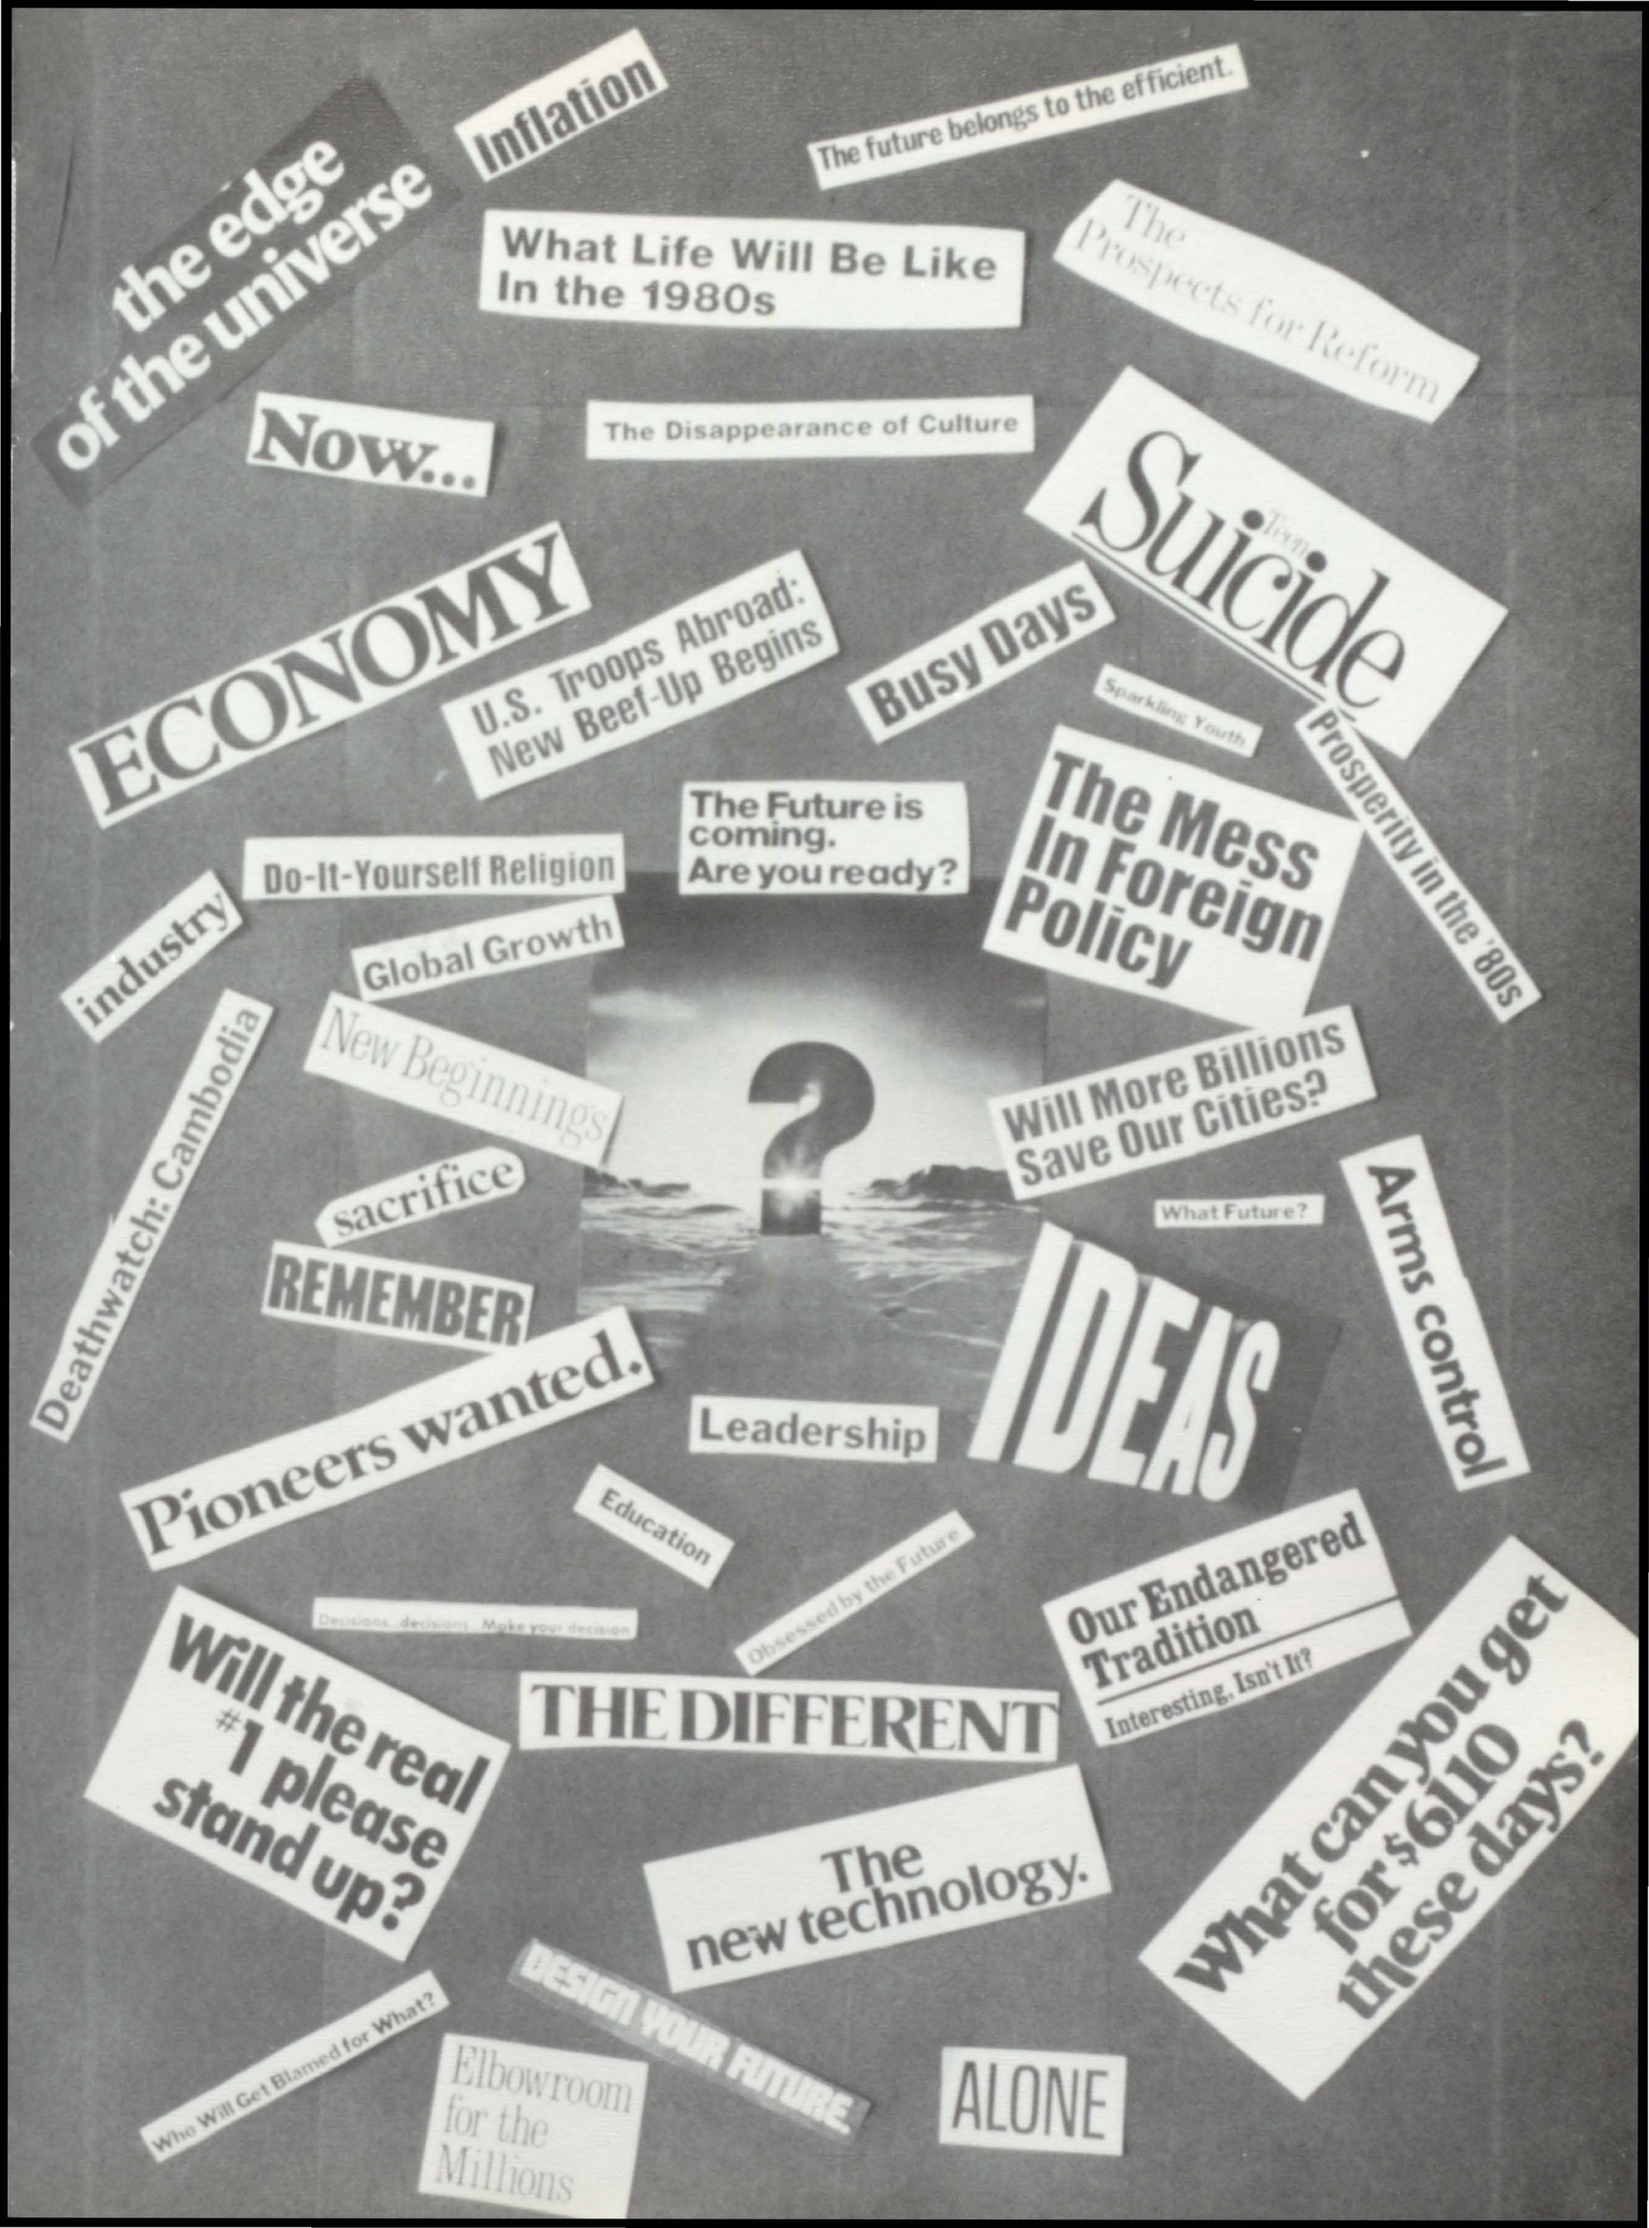

Be with us in our silence and
in our speech,
In our haste and in our leisure,
In company and in solitude,
In the freshness of the morning
and the weariness of the
evening;
And give us grace at all times
humbly to rejoice in Thy
mysterious companionship.
